

# RMS Virtual Learning Series

Registration for any of these virtual sessions (using Adobe Connect) is available at [rms.thelearningexchange.ca](http://rms.thelearningexchange.ca). School board approval is required for registration.

## **Checking In: Conversations for Change Leaders (For leaders of schools receiving intensive support)**

March 8, or May 2, 2017 9:30 – 11:30 am

Suggested Audience: Elementary and Secondary Principals of schools receiving intensive support; Elementary School-Based Facilitators (those working directly with schools receiving intensive support); Secondary Lead Teachers of schools receiving intensive support

## **Building Number Sense in the Early Years (4-Part Online Series)**

March 8, 21, April 12, May 2 9:30 – 11:30 am

Suggested Audience: Teachers and Early Childhood Educators (K-3); Math Facilitators/Consultants/Coaches; Principals

## **Ways We Use Fractions**

March 8, 2017 1:30 – 3:30 pm

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

## **Effective Individual Education Plans (IEPs) to Support Mathematics Learning (4-Part Online Series)**

March 8, 21, April 12, May 2, 2017 1:30 – 3:30 pm

Suggested Audience: Teachers (K-12); Special Education and Math Facilitators/Consultants/Coaches; Principals

## **Learning About Algebraic Reasoning: Functional Thinking**

March 8, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

## **TIPS4Math Blended Learning: Grade 9 Applied**

March 8, 2017 1:30 – 3:30 pm

Suggested Audience: Grade 9 Applied Mathematics Teachers; Secondary Mathematics Department Leads; Math Facilitators/Consultants/Coaches; Principals

### **Spatial Reasoning (4-Part Online Series)**

March 9, 22, April 13, May 3, 2017 1:30 – 3:30 pm

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

### **Operation Sense: From Arithmetic to Algebra (4-Part Online Series)**

March 9, 22, April 13, May 3, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

### **Supporting Students with Learning Disabilities, in Mathematics (4-Part Online Series)**

March 9, 22, April 13, May 3, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (K-12); Special Education Resource Teachers; Math and Special Education Facilitators/Consultants/Coaches; Principals

### **Implementing the Ways We Use Fractions Professional Learning Module**

March 21, 2017 1:30 – 3:30 pm

Suggested Audience: Math Facilitators/Consultants/Coaches; Principals

### **Implementing the Algebraic Reasoning: Functional Thinking Professional Learning Module**

March 21, 2017 9:30 – 11:30 am

Suggested Audience: Math Facilitators/Consultants/Coaches; Principals

### **TIPS4Math Blended Learning: Grades 7 and 8**

March 21, 2017 1:30 – 3:30 pm

Suggested Audience: Grade 7 and 8 Teachers; Math Facilitators/Consultants/Coaches; Principals

### **Planning a Balanced Mathematics Program over a 5-day cycle**

March 21, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (1-8); Math Facilitators/Consultants/Coaches; Principals

### **Engaging Students with the Mathies Learning Tools**

March 22, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

### **Leveraging Technology to Support Learners in Mathematics (3-Part Online Series)**

March 22, April 13, May 3, 2017 1:30 – 3:30 pm

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

## **Proportional Reasoning: Absolute and Relative Thinking**

April 12, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

## **Unit Fractions**

April 12, 2017 1:30 – 3:30 pm

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

## **Implementing the Mathematics Classroom Dynamics Professional Learning Modules**

April 12, 2017 9:30 – 11:30 am

Suggested Audience: Math facilitators/coaches; Department heads; Principals

## **TIPS4Math Blended Learning: Grades 4 to 6**

April 12, 2017 1:30 – 3:30 pm

Suggested Audience: Junior Teachers; Math Facilitators/Consultants/Coaches; Principals

## **Understanding Curriculum and Assessment**

April 13, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals

## **Implementing the Proportional Reasoning: Absolute and Relative Thinking Professional Learning Module**

May 2, 2017 9:30 – 11:30 am

Suggested Audience: Math Facilitators/Consultants/Coaches; Principals

## **Implementing the Unit Fractions Professional Learning Module**

May 2, 2017 1:30 – 3:30 pm

Suggested Audience: Math Facilitators/Consultants/Coaches; Principals

## **TIPS4Math Blended Learning: Using the Virtual Learning Environment**

May 2, 2017 1:30 – 3:30 pm

Suggested Audience: Teachers (4-12); Math Facilitators/Consultants/Coaches; Principals

## **Assessment in Mathematics**

May 3, 2017 9:30 – 11:30 am

Suggested Audience: Teachers (K-12); Math Facilitators/Consultants/Coaches; Principals
